

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

Memorandum that the viij day of June in the Sixt yere of o^r souereigne lord

Edward the VIth by the grace of god King of Englund france and yrland defendor of the fayth & in yerth of the churche of Englund & yrland the Supreme Hed. Leonard Chamberleyne of Wodstoke in the county of Oxford esquier and Edward Chamberleyne his brother caused me Norrey Kyng of Armes to pverse certeyne his Evidensys & Recordes and owt of the same to make a perfyt pedegre for the lynyall dycent of Syr Thomas Chamberleyn Knyght that tyme being the Kinges Maiestes Ambasador in flauders wher vpon I the sayd Norrey Kynge of Armes drew owte of the sayd Evidensys of thaforseyd Lenarde Chamberleyna this present pedegre And to wyttnes the same to be trew I haue herunto set my hand & signe the day & yere above wryten.

P me W^m Heruy aſſ
Norrey Roy darmes.

The evidence of Leonard Chamberlain still exist at Shirburn Castle and the writing of William Harvey is found in them in certain places showing that he studied them. But these Chamberlain evidences fail to prove any connection between the families of Leonard Chamberlain and Sir Thomas Chamberlain. The pedigree is not true. The ancestors of William Chamberlain of London merchant are unknown. William Harvey assigned him to a younger branch of the Chamberlains of Shirburn, of which there were no records.

N. Salter

It is certain that the Chamberlains did not come from Tauxtonville but began in South Lincolnshire in the reign of Edward I.

N. Salter

**Royal Descents of J. Chamberlayne Chamberlayne, Esq.,
And Henrietta Catherine, his wife.**

Eleanor of Castile, = Edward I., King of England. = Margaret, dau. of Philip of France,

Lord Howard of Effing- d. 1569.

* Mr. Chamberlayne Chamberlayne has one younger brother, Charles Henry Ackerley, Esq., and two sisters, the elder of whom m. Peter Joseph Brown, Esq., and the younger m. 1st, John Crooke Freeman, Esq., of Crooke Hall, co. Lancaster, and 2nd, Arthur Charles Chichester, Esq., of Devon.

Mr. Chamberlayne derives from King Edward III. by the exact same number of descents as her present Majesty.

J. B. BURKE.

John Chamberlain F.R.S., whose book-plate is here, was the son of E. Chamberlayne, author of *Anglia Notitia*: & himself continuator of it. For him see Anthony Wood and Hearne's *Diary*. There is no proof that they were connected with the original family of Chamberlayne: in fact it is almost certain they were not.
